Subject: Santai Resort Modification Request

Anthony Witherdin
Director
Regional Assessments
Dear Anthony

As the new owner of Apartment 220 (lot 53), I have no objection at all to the proposed change of use to 22 units in the Santai Resort.

Please note my new postal address is Elsie Lynne MacKenzie PO Box 1355 Kingscliff 2487 NSW.

I received your correspondence only yesterday as it went via my old address in Tasmania PO Box 16 Middleton 7163. I therefore have not had a chance to look at the actual request and documents on your website and I am wondering which are the 22 units? Is mine included, can you tell me?

In any case, I support the proposal in principle and I look forward to hearing the outcome.
Thanking you
Yours faithfully
Elsie Lynne MacKenzie
