Hi Scott

Thanks for the referral.

I've looked at the documents as well as the Heritage Divisions earlier comments (our ref: DOC18/373182), and there are no State Heritage concerns in relation to the proposed development.

DPE does not need to refer this project, including any future modifications, to the Heritage Council (i.e Heritage Division of OEH), however other Divisions of OEH may respond separately in relation to Aboriginal Cultural Heritage or biodiversity.

Kind regards  
Adrian
