Dear Mr Holcombe

**Hume Battery Energy Storage System (SSD-10460)
Response to Submissions**

The exhibition of the Environmental Impact Statement (EIS) for the above proposal ended on 10 September 2020.

The Department received 5 submissions on the project, including 2 from special interest groups and 3 from the general public. Advice was also received from 14 government agencies including Albury City Council.

All submissions received by the Department during the exhibition of the proposal are available on the Department's website at <https://www.planningportal.nsw.gov.au/major-projects/project/33566>.

The Department requires that you prepare and submit a report detailing your responses to the full range of matters and recommendations raised in all submissions.

Please provide your response to the issues raised in these submissions by **Monday 5 October 2020**. Following your consideration of the submissions, please contact the Department if you consider that this timeframe is not achievable.

If you wish to discuss this matter, please contact Natasha Homsey, who can be contacted on 02 8275 1264/ at natasha.homsey@planning.nsw.gov.au.

Yours sincerely
