Department of Planning & Environment
GPO Box 39
SYDNEY NSW 2001

Attention: Thomas Piovesan

Dear Ms McNicol,

**Notice of Exhibition
Oakdale West Industrial Estate, Kemps Creek, Penrith (SSD 7348)**

Thank you for your letter dated 13 November 2017 requesting Transport for NSW (TfNSW) comment on the subject State Significant Development Application (SSDA).

The *Draft Future Transport Strategy 2056* has been released to the public for comment. This strategy includes the *Draft Greater Sydney Services and Infrastructure Plan* and the *Draft NSW Freight and Ports Plan 2017*, which forms a vision for how transport can support growth and the economy of Greater Sydney and New South Wales over the next 40 years.

The draft strategy identifies a number of initiatives in Western Sydney (0-10 years) to protect corridors for a future Western Sydney Freight Line (WSFL), Outer Sydney Orbital Freight Line and Western Sydney Fuel Pipeline, and secure supporting, connected intermodal terminal precincts.

The area being considered by the WSFL is shown in Figure 1 (overleaf), which is in the vicinity of the proposed development. It is advised that TfNSW will be collaborating with the Applicant to undertake planning for the WSFL per the vision of the *Draft Future Transport Strategy 2056* and associated plans.

If you require clarification of the information provided above, please contact Ken Ho, Transport Planner, via email at ken.ho@transport.nsw.gov.au.

Yours sincerely

20/11/17
