Hi Kate,

I have read the relevant sections of the EIA and have no comments from an LLS perspective. I have cross checked with OEH on any areas I wanted to clarify.

As a general rule Hunter LLS does not have the resources anymore to comment on individual developments, however if they are directly relevant to our strategic priorities we do sometimes comment.

Many thanks

Regards,

**Callaghan Cotter**, Manager Land Services

Hi Skye

Could you please let me know when the Department can expect to receive your comments on the above mentioned proposal.

Kind Regards,

**Kate Masters**
