Good afternoon Kate,

I refer to your below e-mail.

A new Council has been elected, and they considered a report in respect of this matter (PE 71/2016), at their meeting of 19 October 2016, whereby it was resolved as follows:

‘That Council receive and note the submission dated 23 September 2016, lodged in response to the exhibition of State Significant Development 14/6666, proposing the demolition and remediation of the Former Hydro Aluminium Smelter, Kurri Kurri’.

In consideration of the above, Council has no further comment to make in respect of SSD 14/6666.

Regards,
