

RE: Marulan South Limestone Mine SSD-7009

My name is Greg Lawrence, my address is 451 Caoura Rd Tallong. I object to the above application for the following reasons:

1. Tallong Dam is a public asset and not a resource for a private mining company to plunder.
2. Draining of the dam would adversely affect Barbers Creek and related ecosystems.
3. The scenic and recreational amenity afforded by Tallong Dam to the community would be greatly affected.

Sincerely

Greg Lawrence
