Subject: "Submission for Kariong Sand And Soil Supplies Facility – SSD-8660".

Dear Planning Board,

I am supporting the above titled Submission and here are some reasons for me supporting the proposal:

- a. Creating local jobs - A boost to the local economy
- b. Diverting waste from landfill
- c. A sustainable vision for the Central Coast
- d. A need for quality landscaping materials on the Central Coast
- e. A need to recycle building materials on the Central Coast

Yours sincerely,

[REDACTED]
