To the Department of Planning, Industry & Environment Director – Industry Assessments,

I would like to show my **support** for the proposed development of the Kariong Sand and Soil Supplies Facility, application reference SSD 8660. My reasons for supporting the development are:

- ☒ A need to recycle building materials on the Central Coast
- ☒ Benefits to the environment by diverting waste from landfill
- ☒ It is well located in the Somersby Industrial Estate and convenient to travel to
- ☒ It will help grow business in and around Somersby
- ☒ It provides a boost to the local economy through job creation
- ☒ It highlights the sustainable vision of the Central Coast Council through recycling
- ☒ Increased reputation for the Central Coast and the Somersby Industrial Park
- ☒ Needed state-of-the-art facility with a positive effect on environment and the economy
- ☒ Reduced illegal dumping
- ☒ Run by a well respected family owned business

Other:

Great idea, bring in local jobs, and recycling
is good for the environment

Reportable political donations in the last 2 years, if any (please circle): YES / **NO**

Thank you for recording my response **in support** of this application on the planning portal.
