To the Department of Planning, Industry & Environment Director – Industry Assessments,

I would like to show my **support** for the proposed development of the Kariong Sand and Soil Supplies Facility, application reference SSD 8660. My reasons for supporting the development are:

- ☐ A need to recycle building materials on the Central Coast
- ☒ Benefits to the environment by diverting waste from landfill
- ☒ It is well located in the Somersby Industrial Estate and convenient to travel to
- ☒ It will help grow business in and around Somersby
- ☐ It provides a boost to the local economy through job creation
- ☐ It highlights the sustainable vision of the Central Coast Council through recycling
- ☐ Increased reputation for the Central Coast and the Somersby Industrial Park
- ☐ Needed state-of-the-art facility with a positive effect on environment and the economy
- ☒ Reduced illegal dumping
- ☐ Run by a well respected family owned business
