Reference: The rail alignment and our registered easement.

Dear Sir/Madam,

Our residents, staff and proprietors thank your team for taking our concerns into account. Many thanks.

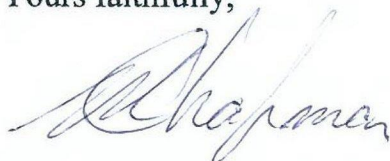

Registered Easement.

We have an easement from our caravan park to Schofields Road. This easement runs along the northern fence line of 97 Schofields Road. It has a 2 metre width.

Our fresh water flows in and our grey water goes out. The grey water is used by the cemetery opposite Rouse Hill Town Centre for irrigation.

We have copied your map and marked the easement in red.

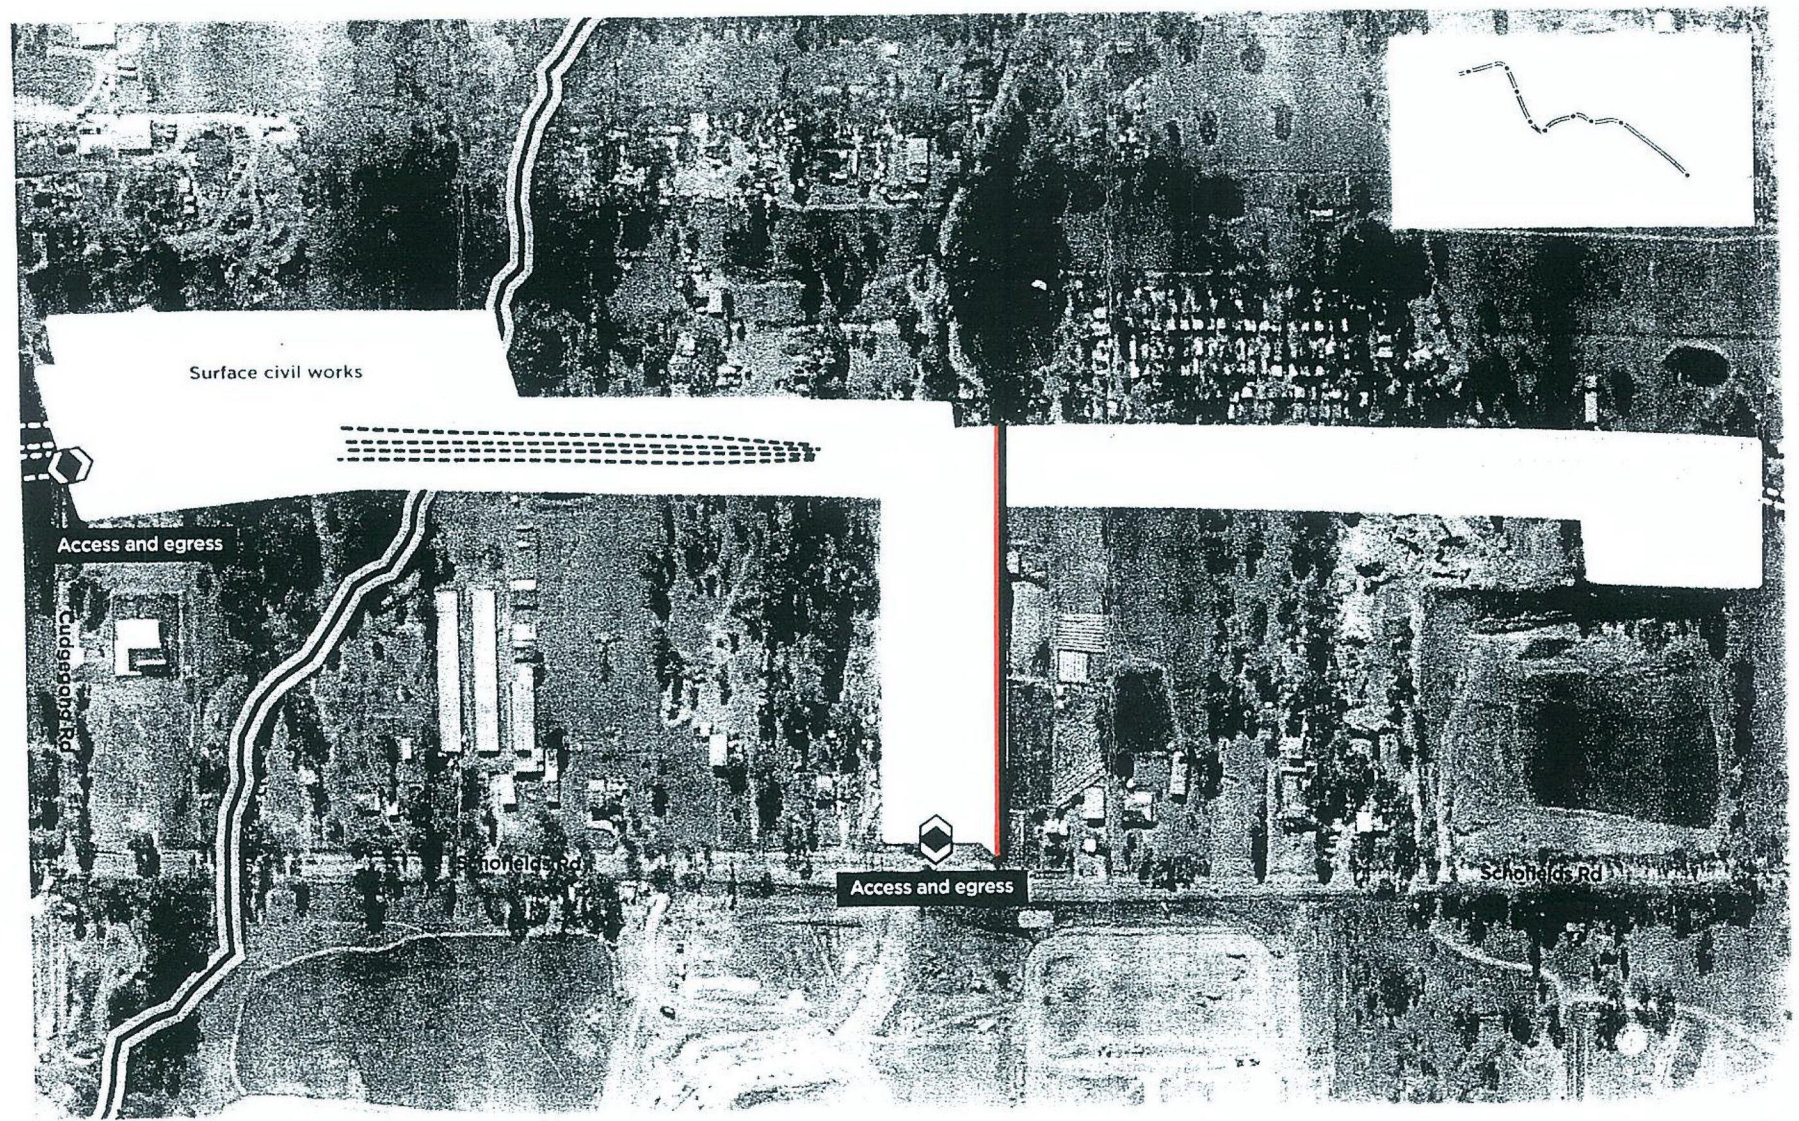

Yours faithfully,

MIKE CHAPMAN
