Dear Sir's

I wish to object to the Sky rail section of the 4.5 kilometer North West Rail link.

My reasons for objecting are as listed.

- 1/ The visual impact of the concrete structure in the Garden Shire, trees not concrete.
- 2/ The Noise factor of trains running up to 19 hours a day on elevated steel rails.
- 3/ The graffiti that will be attracted to above ground rail systems including the concrete supports.
- 4/ The increased car traffic at the Old Windsor Road , Smanantha Riley Drive & Newbury Avenue.

With the duplication of the Richmond to Blacktown line, it will not be necessary to extend

The North West Rail Line beyond the Norwest Business Park with Stabling in the Parklea

Market Site.

We have a very good T-Way system which is connected to Riverstone , Schofields , Quakers Hill

Blacktown , Westmead & Parramatta Stations.

Yours faithfully,

Frank Jeffriess.
