Your email address:

Your postal address:

PALM BEACH 4221

What is your view on the proposed changes to the Pemulwuy Project?

☐ I support it ☒ I object to it ☐ I am just providing comments

Please outline what are the key concerns issues for you

You can say more about these on the back of this page.

I feel this is an overdevelopment of the site, it will add further pressure on already inadequate road and increase traffic, congestion will be worse. Redfern is already littered with garbage that council seems unable to stay on top of. This will definitely be made worse by higher density.
