Please outline what are the key concerns issues for you  You can say more about these on the back of this page.	<p>24 storey building is out of character this side of the track (Train) track</p> <p>an increase of <del>too</del> 596 people with no parking few green spaces. It is too many considering all the other student accomodation in the area. it is not a student only suburb</p> <p>We Need an increase of affordable housing in the area for everyone. &amp; extra services such as child care, gym &amp; retail.</p>		

This is just for money No consideration of community needs. & they have no consideration for the aboriginal & Torres Strait Island community either.

## The Pemulwuy Project – a mixed-use development in Redfern

Redfern is a diverse community this  
is too much. Student accommodation  
can go further ~~at~~ a field. we  
have enough in this small section  
of Redfern & Chippendale.  
High density living this is too much.

Please provide your  
comments on the proposed  
changes to the Pemulwuy  
Project.

Please attach additional  
pages if you need to.
