Subject: [SPAM DETECTED BY EXO] Website contact form submission from Euan Harvey Ref ID: 20171031090107

An email has been received from **Euan Harvey** from the Department of Planning & Environment website's Contact Us online form.

The contact form submission details are below:

Name: Euan Harvey

Email address: harveyeuan@gmail.com

Phone number: 0449175445

Post code: 2016

Type of enquiry: Feedback

Your enquiry is about: Major development proposals

Enquiry details:

Attn Brian Kirk. The Pemulwuy Project: Dear Brian, I wish to make a late submission on the proposed modification of Precinct Three of the Pemulwuy Project from six to 24 storeys ('the Project'). The proposed modifications will result in a building that is grossly out of place with the surrounding community. The area to the west of the Project, which is currently made up 100 year old 2 & 3 story terrace houses (with significant restrictions on modifications) will be covered in darkness due to the huge shadow cast by the enormous building. By their very nature, terrace houses are already dark inside and the Project will only exacerbate this. The Project will result in a visually overbearing building that will destroy the character of Redfern's historic terraces and community. An additional 500 students will create traffic and parking mayhem in an area where it is already difficult to find adequate parking. I strongly submit that no change to the original stage 3 consented plans be allowed. Thank you for your consideration. Euan
