Please outline what are the key concerns issues for you  You can say more about these on the back of this page.	<p>What concerns me as an investor is whether or not this is beneficial. Being an owner of two terraces in Caroline Street, the urbanism is always a concern. Is this building an obstacle or is it going to be well-designed functional &amp; a requirement in the area? Will it enhance the appeal of the area? What type of students will be living there? Are they responsible? etc etc. They are my concerns.</p>
