Hi Brian!

Thank you for the notice of the exhibition period for the proposed modification to the Pemulwuy project to Minister Mitchell (as per attached). Minister Mitchell's Office has asked us to respond on her behalf.

Aboriginal Affairs would like to stay informed of the outcome of the exhibition period, and requests that future correspondence regarding the Pemulwuy Project be addressed to Mr Jason Ardler, Head of Aboriginal Affairs.

Aboriginal Affairs also strongly recommends an active period of community consultation prior to the granting of project approval. This consultation should be conducted by the Department of Planning, due to the developments significant social and political importance for the Aboriginal community of Sydney.

*Cheers, Haylene*
