To whom it concerns ,

We are residence of 150 Birchgrove dv silver ridge who this plan is going to interfere the most .. The change in plans now brings us 36 m from the freeway .. We are disappointed not to have been included in discussions or offered compensation for this matter ,, air cond and double glazing not even been mentioned .. We are very concerned of the noise levels during construction and after completion .The original plan didn't Impact us so strongly , we prefer the original plan ..

Concerned and dissapiunted residence
