GPO Box 39
Sydney NSW 2001

Dear Mr Shakir

**Re: The Northern Road Upgrade – Glenmore Park to Bringelly (SSI 7127 – Modification 1)
– Notice of Exhibition**

Council welcomes the opportunity to provide comments on the above modification application.

The southern portion of the Stage 6 project between Mersey Road and Elizabeth Drive is in the Liverpool Local Government Area (LGA).

Council has reviewed the application and supporting documents and raises no objection to the proposed modification to replace the approved twin bridges over Adams Road within an at-grade signalised intersection, including changes to the horizontal and vertical road alignments.

However, Council is concerned that the modification requires significant earthworks along Adams Road at the intersection.

Council requests that the Roads and Maritime Services (RMS) enter into an agreement for the extent and responsibility of maintenance works along Adams Road. This can be included as part of Council's previous request for an agreement for the maintenance of The Northern Road section through Luddenham Village which will be reclassified as a local road and handed over to Council.

Should you require any further information on this matter, please contact my office Manager Traffic and Transport Charles Wiafe on 8711 7452.

Yours sincerely

David Smith
Manager Planning and Transport Strategy
