Dear Mr Roberts

Exhibition of modification requests for the Eastern Creek Business Hub (SSD 5175 MOD 4 and SSD 8588 MOD 2) – Rooty Hill Road South, Eastern Creek

Thank you for your letter dated 19 November 2018 inviting WaterNSW to comment on the above Modification proposals.

The site is more than four kilometres from the nearest WaterNSW owned and managed land (the Warragamba Pipelines corridor). The potential for the proposed Modifications to impact the corridor and water supply infrastructure is very low and therefore WaterNSW has no specific comment or requirements.

WaterNSW requests the Department continue to refer proposals to us for comment that have the potential to impact on WaterNSW land, assets and infrastructure, using the email address Environmental.Assessments@watarnsw.com.au.

If you have any questions regarding this letter, please contact Alison Kniha at alison.kniha@watarnsw.com.au.

Yours sincerely

**MALCOLM HUGHES**
Manager Catchment Protection
