EPPING TO THORNLEIGH THIRD TRACK PROJECT -SSI 5132

Name: Paul Camilleri

Address: 1 Kristen Place West Pennant Hills 2125

Application Number: SSI 5132

Yes I support the proposal

Proposal is a great idea - new track to separate passenger services from freight train a beneficial project that should be approved.

If there is any sufficient funding could you please consider a lift (elevator) at Beecroft Station - for senior and people with injured legs - they do struggle to get up the stairs - I have encountered a good many each day struggling either up or down the stairs and a lift (elevator) would be a real good benefit to these people
