I agree with the principal of a fast track so cargo & country trains can get through. However a park for commuters at Pennant Hills similar to ^{car} parks @ Whitara & Beecroft ~~would~~ along the tracks would help alleviate problems faced at the moment by commuters being forced to park in residential streets. Further Hornsby Council have placed parking restrictions which contradict ~~the~~ commuters need to park in Urane St. I accept that restrictions should exist Ramsay Road & Hillcrest Street as they close to Pennant Hills commercial district. However there should be NO restrictions on Urane St as has NO impact on local business.
