To The Department of Planning,

I wish to put in my objection to the Karuah quarry discharging any wash water into our Karuah River as it is a breeding river for prawns as well as fish. We also have dolphins use our river as well our precious oysters are caught and grown in our wonderful river.

Yours sincerely

A handwritten signature in blue ink that reads "E. Woodhouse". The signature is written in a cursive style, with the first letter 'E' being large and stylized, and the last name 'Woodhouse' written in a more standard cursive script.
