Projects on Exhibition

All applications for State significant development (SSD) and modification applications are listed in the table below and any accompanying documents such as an Environmental Impact Statement (EIS) can be accessed on the Department's website (<http://www.majorprojects.planning.nsw.gov.au/page/on-exhibition/>) during the exhibition period. A written submission can be lodged about an application during the relevant exhibition period by following the prompts on our website and if a submission is made by way of objection, the grounds of objection must be specified in the submission in accordance with clause 85(f) of the Environmental Planning and Assessment Regulation 2000 (EP&A Reg).

A person who makes a relevant public submission (which means a written submission made by a person objecting to or supporting a relevant planning application or any development that would be authorised by the granting of the application) to the Minister or Planning Secretary in relation to any of the applications listed below is required to disclose all reportable political donations made in the previous two years (EP&A Act, s 10.4(3)(b)). To find out what is reportable, and to access a disclosure form, go to www.planning.nsw.gov.au/DonationsandGiftDisclosure or call 1300 305 695 for a copy.

Privacy statement: Before making your submission, please read our Privacy Statement at www.planning.nsw.gov.au/privacy or call 1300 305 695 for a copy. The Department will publish your submission on its website in accordance with our Privacy Statement.

[Use this table if there are no "controlled actions" under the *Environmental Protection and Biodiversity Conservation Act 1999 (Cth) (EPBC Act)*]:

Application Number	Location & Council Area	Proponent/ Applicant	Consent/Approval Authority	Project/Development Description	Exhibition/ Submission Period	Public Hearing ¹
SSD						
SSD-10396	23-45 Tattersall Road, Kings Park, within Blacktown Council Area	Sell & Parker Pty Ltd	Minister for Planning and Public Spaces or the Independent Planning Commission (IPC)	Kings Park Metal Recovery and Recycling Facility Expansion – the proposed development involves increasing the throughput of the existing facility to allow the receipt and processing of up to 600,000 tonnes per annum of scrap metal (up from 350,000 tonnes per annum). As the existing infrastructure at the site has the capacity to accommodate the increased throughput, no construction works or additional machinery are proposed as part of the application.
