**Subject:** Fwd: Sell & Parker - Noise - Objection - DPIE submission for operation capacity increase

Hello Emma,

As a resident of Blacktown living closely to Sell & Parker, please see my submission below in objection to their tender for operational capacity increase.

I have tried to contact you, with no avail, but left a voicemail with my mobile number if anything further is required.

Regards

**Subject:** Sell & Parker - Noise - Objection - DPIE submission for operation capacity increase

Hello Councillor Gillies,

I refer to the application by Sell & Parker to increase their operational capacity to 600,000 tonnes per day.

I reside at [REDACTED] Garden st, Blacktown, N.S.W, 2148 with my daughter and we frequently hear noise from Sell & Parker's facilities and it intrudes on our ability to peacefully enjoy our home and quality of life. Especially when they start a day at 5a.m and don't finish until late. Even up to 10p.m at night!!

I very much **OBJECT** to their application in every way possible. As being a metal recycling company they could never reduce the noise of operations and I do not want more noise.

I hereby consent to you including me in the objection you will lodge.

Please feel free to contact me if anything further is required.

Regards  
[REDACTED]
