Subject: Sell & parker-noise-objection-dpie submission for operational capacity increase

Dear councillor Gillies,

I refer to the application by sell & Parker to increase their operational capacity to 600,000 tonnes per year.

I live at [REDACTED] Anthony Street blacktown 2148 with my family and we frequently bombarded with thundering noise pollution from the metal facility due west from our location.

My family and I, in the strongest language OBJECT to their application and also go as far to say "that such a facility should never be allowed to operate near residential areas".

Your welcome to contact me anytime if needed.

Stylianios makariou [REDACTED].

Thank you kindly.
