Dear Councillor Gillies,

I refer to the application by Sell and Parker to increase their operational capacity to 600,000 tonnes per year.

I live [REDACTED] Eggleton Street, Blacktown with my family and we frequently hear noise from their facility and it intrudes in our ability to enjoy our home and our quality of life.

I very much object to their application unless they solve the noise problems associated with their operations, and I hereby consent to you including me in the objection you will lodge.

You are welcome to contact me anytime if needed.

Debbie Farrell ... [REDACTED]
