**Categories:** Objective

Hi Emma

Crown Lands is providing its comments to this proposal via email as it was not received through the Major Projects Portal.

Crown Lands has the following comments:-

No Crown land is directly incorporated into the proposal. Breakfast Creek is partially Crown land traversing the area, care should be taken to ensure that any future works incorporate measures for environmental protection of the creek.

Thanks

Kirstyn

**Planning,  
Industry &  
Environment**

**Our Vision:** Together, we create thriving environments, communities and economies.

*The Department of Planning, Industry and Environment acknowledges that it stands on Aboriginal land. We acknowledge the traditional custodians of the land and we show our respect for elders past, present and emerging through thoughtful and collaborative approaches to our work, seeking to demonstrate our ongoing commitment to providing places in which Aboriginal people are included socially, culturally and economically.*
