Attention: Dominic Crinnion

Dear Ms Jones

Hornsby Quarry Road Construction Spoil Management Project (SSI 7066) Notice of Exhibition

Reference is made to your correspondence to the Office of Environment and Heritage (OEH) dated 4 August 2015 inviting comment on the Hornsby Quarry Road Construction Spoil Management Project (SSI 7066).

OEH considers the project has addressed the Framework for Biodiversity Assessment methodology satisfactorily. No issues are raised in regard to biodiversity or flood risk management. OEH also does not have any issues in regard to Aboriginal cultural heritage matters provided the recommended environmental management measures (Section 7.7.4) are implemented.

Yours sincerely

S. Harrison 04/09/15
