**RE: CLEANAWAY'S WESTERN SYDNEY ENERGY & RESOURCE
RECOVERY CENTRE
APPLICATION NUMBER: SSD-10395**

I am writing to register my objection to the above proposal. My reason for objecting the proposal is a concern of poor air quality, thus resulting in health risks imposed on people living in the local vicinity.

I have made no political donations in the last two years and I request the Department to withhold my personal information.

Would you kindly acknowledge receipt of my correspondence.
