IN MEMORIAM

Bruce William BUDDEN
23/10/1920 - 06/11/2013
We your family miss you in the house where you used to be. We wanted so much to keep you, But God willed it not to be. Now you are in God's keeping. You suffer no more pain. So dear God take care of him. Until we meet again.
Love Always *Warwick, Rodney, Lyn, Kim, Max, Cassandra, Nathan, David, Mandy, John, Craig, Kayne and Sophie*

In loving memory of **BRUCE BUDDEN**
23/10/1920 - 06/11/2013
I hold you close within my heart, And there you will remain. To walk with me throughout my life, Until we meet again.
Love always, Bette

Catherine Cook (Miss Cook)

MINING GATEWAY APPLICATION NOTICE

A Gateway Application is being made to the Mining and Petroleum Gateway Panel by Muswellbrook Coal Company Pty Ltd (ABN 32 000 009 521) for the development of an open cut coal mining operation, known as the West Muswellbrook Project (WMP).

In accordance with clause 17F(3)(b) of the State Environmental Planning Policy (Mining, Petroleum Production and Extractive Industries) 2007, the application will be made no less than 30 days from the date of this notice.

The application for a Gateway Certificate for the WMP encompasses the land shown as the Project Assessment Area which forms part of Assessment Lease 19 (AL 19) held by Muswellbrook Coal Company since 2009. AL 19 is in both the Muswellbrook Shire and Upper Hunter Shire local government areas, and is approximately 12 kilometres north west of Muswellbrook.

The WMP would involve the construction and operation of an open cut coal mining operation and associated infrastructure within AL 19 for a period of approximately 30 years. The proponent is:

Muswellbrook Coal Company
Muscle Creek Road
Muswellbrook NSW 2333

Should you have questions regarding this notice, please contact John Furner on 02 6542 2300 or westmuswellbrook@muscoal.com.au.

PROPOSAL TO INSTALL NEW MOBILE TECHNOLOGY AT BUNNAN AND JERRY PLAINS

Telstra plans to install new low power mobile data technology at:
Cnr Blaydon & High Streets, Bunnan NSW 2337 (RFNSA No. 2337079)

Lot 1 Queen Street, Jerry Plains NSW 2330 (RFNSA No. 2330030)

The proposed works consists of:

- Installation of one (1) omni antenna (less than 1m in length)
- Installation of one (1) transmitter unit
- Installation of new equipment in existing exchange building
- Installation of associated ancillary equipment such as cabling

The purpose of this installation is to provide Telstra 4G data services to the surrounding area.

Customers with 4G capable devices may notice a change in their device's signal strength/bars, but no change to their voice service. Customers with 3G only devices will not be able to access this new service and will see no change to their device's operation.

Telstra regards the proposed installation as a Low-impact Facility under the Telecommunications (Low-impact Facilities) Determination 1997 ("The Determination") based on the description above.

Written submissions should be sent to: Vanessa Davies by **Monday 24th November 2014**

Further information can be obtained from: Vanessa Davies, Aurecon Pty Ltd, PO Box 538 Neutral Bay NSW 2089
