NOTES

1. Do not obtain dimensions by scaling
2. All owners, builders, sub-contractors and suppliers must verify all dimensions and levels before commencing any work or making any shop drawings.
3. These drawings are to be read with all other contract documents and requirements of the relevant Controlling Authority.
4. The title boundaries as shown have been determined by plan dimensions only and not by field survey.
5. Services shown have been located where possible by field measurement. If not able to be located, services have been plotted from relevant authority records.
6. Prior to any demolition, excavation or construction on the site, the relevant authority should be contacted for possible location of underground services and detailed locations of all services.
7. Proposed lot boundaries dimensions and areas are subject to survey.
8. Building works to be set out by a registered surveyor.
