Hi Michelle,

Our Environmental Assessment Officer has reviewed the proposed modification, and has liaised with OEH.

Council supports the proposed amendments to the Statement of Commitment with the following exception:

"Funding [for the Leafless Tongue Orchid] to be provided prior to the issue of a subdivision certificate for Stage 6 to NSW National Parks and Wildlife or NSW Office of Environment and Heritage for plan preparation and implementation"

The timing of the payment of the funding for the Leafless Tongue Orchid must be prior to subdivision certificate for **Stage 3** (or at next appropriate approval), as per the timing of the preparation of a management plan for the Leafless Tongue Orchid in the approved Statement of Commitments.

Kind regards

Elizabeth Downing

As such, can you please provide any further comment as soon as possible or no later than 4 October 2018 (two weeks from today).

Kind regards,
