OBJECTION to the proposal.

REASONS for objection to proposal as follows:

I don't want our new house to be next to a dusty, noisy & dirty new recycling plant.

I want to play with my older brother in a quiet, clean, safe neighbourhood away from big noisy trucks from the new recycling plant.

I want to have my naps in the day & not be woken by big noisy trucks from the new recycling plant.

I don't want to cough when I get covered in dust from the new recycling plant.

I want to play outside in our backyard & not be stuck inside because the air is dirty from the new recycling plant.

NO NEW RECYCLING PLANT NEAR US.
