Moorebank Application 05_0157

I Oppose to the application of the Recycling Facility

It states operation times will be 7am -6pm however they will allow to load and unload from 6am, this will mean trucks will arrive around 5am to be first in line to load and unload 6 days a week.

This is an absolute nightmare, how can you even contemplate building this monstrosity, and life shattering facility in a suburban area.

We bought the land in Georges Fair hoping it would be a great family environment, we were lied to and deceived as they told us Brickmakers Drive will only have light traffic, and made no mention of this facility when they must of know full well that this was going to happen, all in the name of money otherwise no one would have bought

Say NO to this Facility so we can go back to a stress free life
