Dear Sir/Madam

My name is Xiaoxi Wang, who will be live I. Hoy street Moorebank. I am writing this to you is because I object to the proposal which is the Proposed building & Construction Waste Recycling Facility, Moorebank. The project application number is 05\_0157. The reason I object to this is because I do not want to live near a construction waste recycle facility. As said in the letter I received, there will be up to 500,000 tones of the waste including concrete,brick, asphalt, sandstone and sand waste per year. The dust will be flow into the air no matter what kind of protection they do.I lived in Liverpool area for years and Moorebank is just a nice living area.I got kid and I do not want my kid and my family live in an area with this.

Please understand us.

Kind regards

Xiaoxi Wang
