Proposed Materials recycling Facility -Moorebanks (05_0157)

I have just moved into Georges Fair with my Mum, Dad and brother, I am really worried about this facility. There will be a lot more noise in the area and dust possibly asbestos dust. My dad gets up early to go to work what will the noise of trucks do to him, I love my family and wanted this to be a great time in a new house and already all we are doing is worrying about this, it is already having an affect on my family. Please do not build this recycling facility I want to have a long and happy life not one of one of worry
