Content:

I object to this proposal.

I have family who will live here. This is a public outrage.

I watched with disbelief A Current Affairs program this evening.

<http://aca.ninemsn.com.au/article/8625573/housing-dream-shattered>

If so many people oppose this proposal, if a national current affairs program can see this also, why is this on exhibition for possible development in a residential area?

The proposal includes outdated statistics and data, collected before this area had been developed and populated with local residents.

I say NO to this application.
