Address:
[REDACTED]

Moorebank, NSW
2170

Content:

I object to the submission for various reasons including the negative impact this facility will have on local air quality, noise quality, road quality (heavy-load traffic), and local childrens health and safety (e.g airborne particles and increased heavy-load traffic on Brickmakers Drive). This facility does not fit in with the lifestyle local residents visualised when deciding to build in this family-friendly community at Georges Fair Estate.
