**Noel Feeney, of DENMAN NSW, made the following submission on the project:**

## **Mangoola Mine - Modification 6 - Extraction Rate Increase**

---

### **Objects to this project**

In view of the fact that my property is closely located to the washery, coal loading and rail loop with constant noise, dust and air quality concerns and the fact that the proximity of the mine and its operations will have a significant impact on the value of my property which is my retirement next egg. I feel that the mine and its operations will severely impact upon my lifetime of hardwork and legacy to my family
