Dear Anthony,

Re: Mangoola Coal Project Approval 06_0014 - Revised Energy Savings Action Plan

Please find enclosed a revision of the Mangoola Coal Energy Savings Action Plan required under Schedule 3, Condition 55 of Project Approval 06_0014. This update captures key actions derived from the 3 yearly Energy Management Review outlined in Section 3.2 of the ESAP.

Upon an approval, the document control details will be updated, the approval correspondence added to Appendix 1 of the ESAP and a copy of the document placed on the company website as per Schedule 5, Condition 11 of PA 06_0014. A final copy will also be sent to the Department for their record.

If you have any questions regarding the changes please don't hesitate to contact me.

Yours sincerely,

Nathan Lane
