Dear Anthony,

Re: Mangoola Coal Project Approval (PA) 06_0014 – Environmental Management Strategy Submission

Please find enclosed a revision of the Mangoola Coal Environmental Management Strategy (EMS) required under Schedule 5, Condition 1 of PA 06_0014.

Details of the nature of the revision are contained in the document change register within the document. A tracked change version has also been submitted to the DPIE Portal.

Following approval of the EMS all document control information will be updated and government correspondence inserted in Appendix B of the EMS.

Please contact me if you have any questions regarding the changes.

Kind Regards,

Nathan Lane
