Dear Ms Thornton

Re: MOD2 Notification - Coleambally Dairy and Ethanol Plant (MP 06_0020)

Thank you for the opportunity to provide advice on the above matter. This is a response from NSW Department of Industry – Geological Survey of New South Wales (GSNSW). The Department of Primary Industries (incorporating advice from Agriculture and Fisheries) and the Forestry Corporation of NSW may respond separately.

GSNSW have reviewed the modification report and have no issues regarding the proposed modifications to the Coleambally Dairy and Ethanol Plant.

Queries regarding the above information, and future requests for advice in relation to this matter, should be directed to the GSNSW Land Use team at landuse.minerals@industry.nsw.gov.au.

Yours sincerely
