

This architectural section drawing illustrates a building's profile and its relationship to the ground. On the left, a 'LOADING DOCK ACCESS ROAD' is shown with a truck icon. A tree is positioned next to the road. The building's ground floor is a large, light blue rectangular area labeled 'DDS'. To the right of this area is a yellow section labeled 'SPECIALTY'. Further right, an 'ARBOUR WALK' is depicted with a small structure and figures of people. Another yellow section labeled 'SPECIALTY' is located to the right of the arbour walk. The ground level is indicated by a horizontal line, and the area below the building is hatched to represent excavation. Labels include 'LOADING DOCK ACCESS ROAD', 'DDS', 'SPECIALTY', 'ARBOUR WALK', and 'SPECIALTY'. A vertical line on the right side of the drawing is labeled 'CONTINUED BELOW'.
