**RE: MAJOR PROJECT APPLICATION: MP 06\_0205  
MODIFICATION NO 3  
ADDENDUM TO CARDNO DESIGN REPORT 104016-46 001 Rev 1 - JUNE 2010**

---

Cardno has been engaged by Fabcot Pty Ltd to assist with the preparation of documentation for Modification 3 of MP 06\_0025 to be submitted in March 2011.

From a civil design perspective this March 2011 submission reflects changes in development staging as required by Fabcot. The previously approved WSUD paradigm and design philosophy for the site remain unchanged therefore Cardno report 104016-46 Report 001 Rev 1 – June 2010 is considered the appropriate reference design document for this submission.

It should be noted however that drawings provided in Annexure B of the abovementioned report are now replaced by Cardno Drawings 46860 to 46894 Rev P0 dated March 2011.

Yours faithfully
