

- LEGEND**
- 1. ENTRY TO TOWN CENTRE
Multi-stem Eucalyptus sclerophylla with Doryanthes excelsa understorey planting
 - 2. MOONA CREEK ROAD
2A Main Avenue of Eucalyptus sclerophylla with native understorey planting
2B Second avenue of Tristaniopsis laurina with native understorey planting
 - 3. WATERFRONT PARK
Feature trees of Melaleuca stypheloides, Ficus rubignosa, shade planting provided by Hymenosporum species with stands of Banksia integrifolia.
 - 4. WETLAND PLANTING
4A. Grasses and Reed planting
4B. Macrophytes
 - 5. CARPARK PLANTING / BIOSWALE
5A Reeds and grasses to bioswales
5B Melaleuca stypheloides, Corymbia maculata, Eucalyptus sclerophylla with native understorey planting
 - 6. AMENITY/ BUFFER PLANTING / SCREEN PLANTING
Planted with Native mix of Shrubs, small screening trees, groundcovers and grasses.
 - 7. NATIVE BUFFER PLANTING - (TEMPORARY)
Underplanted with tubestocks of native Grasses, Screen Planting, Acacia sp, Allocasuarina sp.
 - 8. EXISTING BUSHLAND VEGETATION
8A. Existing Bushland Vegetation/ Temporary buffer planting design subject to site conditions.
8B. Comprises existing woodland vegetation including Eucalyptus botryoides Corymbia maculata, Eucalyptus pilularis, Eucalyptus sclerophylla and Native hydroseed mix to be retained
 - 9. BIKE TRACK / WALKING TRAIL
 - 10. FEATURE PLANTING
10A Banksia integrifolia with underplanting of Banksia ericifolia and native grasses
10B Doryanthes excelsa / Macrozamia communis, underplanted with Banksia ericifolia and native grasses
 - 11. MASS PLANTING - (TEMPORARY)
Indigenous Grasses Shrubs & Groundcovers mix.

INDICATIVE PLANT PALETTE

BOTANIC NAME	COMMON NAME	MATURE HEIGHT EST.
TREES		
Angophora costata	Smooth-barked Apple	15m
Angophora hispida	Dwarf Apple	4m
Banksia integrifolia	Coastal Banksia	12m
Banksia serrata	Old Man Banksia	8m
Callistemon Viminalis	Weeping Bottlebrush	5m
Corymbia maculata	Spotted gum	20- 30m
Eucalyptus racemosa	Narrow- leaved Paperbark	15m
Eucalyptus sclerophylla	Hard- leaved Scribbly Gum	7-15m
Ficus rubiginosa	Port Jackson Fig	20m
Hymenosporum flavum	Native Frangipani	10m
Tristaniopsis laurina	Water Gum	6m
NATIVE BUFFER PLANTING TREE MIX		
Acacia filicifolia	Fern- leaf Wattle	14m
Allocasuarina littoralis	Black Sheoak	8m
Corymbia gummifera	Red Bloodwood	5 - 15m
Corymbia maculata	Spotted Gum	20 - 30m
Eucalyptus botryoides	Bangaley	30m
Eucalyptus pilularis	Blackbutt	40m
Eucalyptus racemosa	Narrow- leaved Scribbly Gum	15m
INDOOR TREE PLANTING (CONTAINED IN RAISED PLANTERS)		
Ficus microcarpa (multi stemmed no. 3-6)	Hills Weeping Fig	4m
SHRUBS AND AMMENITY SCREENING		
Anigozanthos flavidus	Kangaroo Paw	1m
Banksia ericifolia	Heath Banksia	5m
Banksia spinulosa 'Giant Candles'	Giant Candles Banksia	0.5m
Callistemon linearis	Narrow Leafed Bottlebrush	3m
Ceratopetalum gummiferum	NSW Christmas Bush	5m
Correa alba	White Correa	1.5m
Correa baeuerlenii	Chef's Hat Correa	2m
Dodonaea viscosa 'Purpurea'	Purple Leaved Hop Bush	2m
Hakea teretifolia	Dagger Hakea	1-3m
Kunzea capitata	Tick Bush	1.5m
Leptospermum juniperinum	Prickly Tea- Tree	3m
Leptospermum laevigatum	Costal Tea Tree	5m
Leptospermum polygalifolium	Yellow Tea- Tree	5m
Westringia fruticosa	Coastal Rosemary	1.5m
FEATURE PLANTS		
Doryanthes excelsa	Gymea Lily	3m
Macrozamia communis	Burrawang	2m
Xanthorrhoea glauca	Grass Tree	2m
NATIVE GRASS ACCENT PLANTING		
Carex appressa	Tall Sedge	0.8m
Dianella caerulea	Flax Lily	0.3m -1.5m
Lomandra longifolia	Spiny- headed Mat- rush	1m
Lomandra longifolia 'Tanika'	Tanika Mat Rush	0.5m- 0.6m
Poa labillardieri 'Eskdale'	Blue Tussock	0.8m
Themeda australis	Kangaroo Grass	1.2m
BIOSWALE PLANTING		
Carex appressa	Tall Sedge	0.8m
Juncus usitatus	Common Rush	1.0m
GROUNDCOVERS & CLIMBERS		
Hardenbergia violacea 'Alba'	Purple Coral Pea	climber / scrambler
Hibbertia scandens	Climbing Guinea Flower	climber
Myoporum parvifolium	Creeping Boobialla	scrambler
Pandorea jasminoides	Bower of beauty	climber
Pandorea pandorana	Wonga- wonga Vine	climber
Scaevola aemula	Purple Fan Flower	0.3m
BENEATH POWER LINES All planting located beneath overhead power lines is to comply with teh requirements of integral energy's policy MM10013. Clearances are to be maintained between network assets and vegetation.
