1. All dimensions and areas are approximate only and subject to final survey.
2. Stages show the number of lots to be developed in each stage but do not necessarily show the order in which development will occur
3. Lot numbers identify the lots in each stage and show the number of lots in each stage; however, these may not be the final lot numbers
4. The subdivision will be undertaken using Community Title legislation which requires lot numbers to be consecutive commencing at number 1. Final lot numbers will depend on release of stages. Lot 1 represents land owned by the Community Association.
