Attention Ms Felicity Greenway

Dear Sir

**Eviron Road Quarry and Landfill, Tweed Shire Adequacy Review
MP 08_0067 (Concept Plan) and MP 08_0068 (Project Application).**

I refer to your letter of 11 November 2011. On 1 November 2011 a new organisation called Roads and Maritime Services (RMS) was formed to replace the Roads and Traffic Authority. RMS will focus solely on delivering quality services to the customer.

The Roads and Maritime Service (RMS) has reviewed the Traffic Impact Assessment supporting the Eviron Road quarry and landfill proposal. It is considered this assessment adequately addresses likely impacts of the proposal.

If your Department has any further enquiries regarding this matter please contact Mr Michael Baldwin on 6686 1832, or email land_use_northern@rta.nsw.gov.au.

Yours faithfully

13 DEC 2011
