George,

ARTC has no objections to the development as the new siding connection does not include any works within the ARTC rail corridor.

Hi Michael,

As per our telephone conversation today, attached is the letter the Department sent to you for the above modification. The EA for the modification could be accessed at the following link and is located in the folder titled 'Environmental Assessment':

http://majorprojects.planning.nsw.gov.au/index.pl?action=view_job&job_id=4728

EA exhibition concluded on 11 July 2011. The proponent is in the process of completing their Response to Submissions document.

If ARTC wishes to make a submission on the modification, could you please arrange this as soon as possible.

Thanks,
George
