Dear Ms Morales

### **Vopak Bulk Liquids Storage Facility (MP 06\_0089 MOD 2) Comment on the Environmental Assessment (EA)**

I refer to the email of 14 December 2016 to the Department of Primary Industries (DPI) in respect to the above matter. Comment has been sought from relevant divisions of DPI. Views were also sought from NSW Department of Industry - Lands that are now a division of the broader Department and no longer within NSW DPI. Any further referrals to DPI can be sent by email to [landuse.enquiries@dpi.nsw.gov.au](mailto:landuse.enquiries@dpi.nsw.gov.au).

DPI has reviewed the modification application and accompanying EA and advises that the Department's regulatory interests have been adequately addressed by the proponent and advises that the following should be included as a Condition of Consent for the project:

- The proponent must prepare a Construction Soil and Water Management Plan in accordance with the guideline, Managing Urban Stormwater – Soils and Construction (Landcom 2004).

Yours sincerely

Mitchell Isaacs
